What you need to do.

Complete this repair form. Make a copy of this form and include it in the package with the battery packs you need rebuilt.
You may ship the batteries to us any way that is convenient for you.
Once received, we will rebuild and condition the battery packs to peak performance.
If you have included a check with your order your batteries will be sent out immediately upon completion.
If you chose the credit card option, a rep will contact you for credit card information when your batteries are completed.

All of our battery rebuilds come with a 30 day warranty against any defects in labor or service.
If at any time after the warranty period you experience a problem, we can inspect the battery pack at your request.

Thank you for your business!
